

# Professional in Workers' Compensation Annual Banquet Sponsorship, 2009

Active and generous sponsors make possible the enduring tradition of the Annual Banquet for Professionals in Workers' Compensation. The rewards for sponsorship include recognition as a contributor and supporter of the mission of PWC, with significant exposure throughout the state. Program attendance for PWC events averages 60 – 90 people, with hundreds more on the email list. Networking is an important aspect of PWC membership, and is part of every program meeting.

This year the **Annual Banquet** is scheduled for **Thursday, March 19, 2009 at 5:00 PM**. Once again, this festive event will be held at the **Palace Ballroom** in downtown Seattle and will be catered by the **nationally known chef Tom Douglas** (Dahlia Lounge, Etta's). Your generous contributions help to defray banquet costs, keeping this event, and PWC membership, affordable.

The Board of Professionals in Workers' Compensation invites your participation in sponsorship of this very popular event. Please consider the categories listed below, and plan your support of the Annual Banquet today!

**A reminder: PWC is a 501(c)(6) entity and your contributions are tax deductible!**
