Performance Work Rehabilitation
OSC Vocational Systems, Inc.

Gold Sponsorship \$225

HM Vocational Services, LLC

We'd love to add your firm to the list. Sponsors make our programs possible! Consider sponsoring PWC today!

PWC 2018–2019 Sponsorships

PWC would like to thank our many generous sponsors from the past year. Without your support, we would not be able to offer the many exciting programs and activities that our members have come to appreciate.

Our thank-you gift to sponsors at the \$225 (Gold) level or higher is an ad in our annual directory and a complimentary membership. We also provide a larger ad and more \$375 (Platinum) level sponsors!

We also offer a limited number of Diamond sponsorships for \$500. Diamond sponsors receive two memberships included in the cost of sponsorships, flex membership, an ad, a table for marketing materials at each PWC event, and more!

Starting this year, we are also offering a unique opportunity for a one sponsor, our **Emerald Presenting Sponsorship** (\$2500). This is available to one company only, on a first come basis. Emerald Presenting Sponsor includes:

- 5 PWC memberships from your company
- Prominent logo placement at PWC events
- Link and prominent logo display on PWC Home Page
- A special thank-you at every PWC event
- A 5-minute presentation at the annual banquet
- Ad space on annual banquet program and more!

Please send an email to emeraldsponsor@pwc.org for more information, or to let us know that you'd like to be our 2018–2019 Emerald Presenting Sponsor!

If you or your company are interested in providing a sponsorship, please visit our website at www.pwc.org, and click on “Sponsorships,” or contact a member of the PWC Board. A list of our Board members is provided in this directory, or you can look us up on the PWC website at www.pwc.org.

Empathy

Integrity

Empowerment

With nearly 20 years of Industrial Rehabilitation experience, **PINN** has developed a unique, multi-disciplined approach for returning patients back to their jobs and back to enjoying life faster.

*Work Hardening | Work Conditioning
Physical Therapy | Occupational Therapy | Hand Therapy
FCEs | ABAs | Ergonomics*

Our patient's say:

"Thank you, PINN!
*for helping me back to my job
and back to my life!"*
